Java Enterprise Edition and Design Patterns

Student Presentations

In the following three weeks, each group will do a presentation on a JEE relevant topic. The presentations should take **between 20 and 30 minutes**. The groups choose for **one or two speakers**. **At least** the following **topics** have to be covered during the presentation:

- Short introduction including the area of application
- What is the technology used for?
- Short coding/usage example
- Advantages and Disadvantages
- Resumé

Rooster

Topic	Group	Members	Date
JSPs and EJB	Group5	Marienfeld, Huypen, Degenkolbe, Schön	06.12.2007
Java Server Faces	Group3	Feder, Bartulovic, Quadflieg	19.12.2007
Apache Struts	Group7	Rix, Bruns, Römke	19.12.2007
Entity Inheritance	Group4	Koenen, Kunde, Rawe, Leppkes	06.12.2007
EJB Timer Service	Group2	Blank, Moll, Dietz, Bernau	13.12.2007
Spring Framework	Group6	Kattenbeck, Grüner, Dröge	19.12.2007
JAAS	Group1	Hamacher, Arnold, Speier, Hentschel	13.12.2007

You may download and use the OpenOffice-Impress template from the JEE-Website for your presentations. Make sure all authors and the date are included.

Have a lot of fun!
